Arlanda Hotellby

Welcome to Best Western Arlanda Hotellby

Family-owned Arlanda Hotellby is five minutes from Stockholm Arlanda Airport and just 30 minutes from Stockholm City. This ideal location makes it as suitable for individual guests as it is for groups and conferences looking to stay or meet near Arlanda Airport. The hotel rooms are housed within 17 charming courtyard buildings with a preserved cottage and a traditional Swedish roundpole fence to create a cosy little village.

A free shuttle bus takes you to and from all of Stockholm Arlanda Airport's terminals (Bus stop 11), departing every 30 minutes. We also have a fenced-in and camera-monitored long-term car park available to guests at very reasonable rates.

Arlanda Hotellby's location is perfect for bringing together both local and out-of-town participants for conferences, meetings, events, kick-offs and courses. Our bright meeting rooms accommodate up to 125 people and feature the latest cutting-edge technology – including video conferencing.

WiFi is available throughout the hotel, and like the well-equipped gym and sauna, it is a free service for hotel guests. The hotel restaurant serves deliciously prepared meals taking inspiration from around the world, and our popular breakfast is conveniently served at 4:00 AM for those who have an early flight to catch.

The Azizsson family warmly welcomes you to Arlanda Hotellby.
